

Welcome

Schnauzapalooza 2019 Specialty Store Information

Participating by ordering from the store supports your club. All the profits go toward the expenses it takes to put on your specialty.

The following pages will give you all the information you will need to pre-order items from the Specialty Store. There will be a very limited number of these items at Purina possibly one or two. If you want something, now is the time to order. If you wait, you may not get what you want. The ordering process starts when this notice goes up on the websites.

All orders are due February 15. You will be able to pick up your orders on site, Purina. Connie Reidner will have the Standard orders and Jackie Harris or Carol Henning will have the mini orders. If you want your orders shipped then you will include the shipping fees. The last page of the store information has shipping costs.

1. **First** you will find several pages that show you all the designs and which items will have that particular design. Please note that light garments will have a design with gray outlined dogs and dark garments will have black outlined dogs.
2. **Second** you will find a description of each item along with a picture of each item color.
3. **Third** you will find the sizing charts from the clothing manufacturers. Gildan sizes are for all the T-shirts and the zippered sweatshirt. Harriton sizes are for the fleece jacket. Port and Company sizes are for the denim long sleeve shirt. I have included how to measure to figure what size you should order. If in doubt, please email or call me.
4. **Fourth** will be three pages of order forms. Because there were so many items and so many choices, we needed 3 pages. The last page of the order form has my address, email, and phone number. If

you have a question, please don't hesitate to ask me. Your order forms along with payment will be mailed to me.

5. **Fifth** will be a page of shipping charges if you are unable to attend the speciality. Postal rates are expensive, so try to have someone pick your order up for you. If someone does that for you, let me know that person's name. All items will be mailed after the specialty.

All orders are due to Connie Reidner no later than February 15.

Designs are pictured along with the items they will be on. Please note that any arches in the designs will be metallic silver. The light garments will have a black outline of the dogs. The dark garments will have a gray outline of the dogs. This is done to make them stand out.

The **agility t-shirt** will be screen printed with this design on the front. The arch is metallic and parts of the agility icons have a touch of metallic which really makes this design pop. The dog outlines and the lettering is black to make it stand out.

The **barn hunt t-shirt** will be screen printed with this design. The lime lettering really makes the black lines in the design stand out.

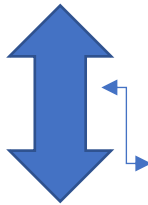

This is the actual **lapel pin** that will be offered. The dog outlines and lettering are black.

This is the design that will go on the left chest of the **purple sweatshirt, wine and royal blue fleece jackets**. The design will also go in the top middle of the **grooming apron**. This picture does not do it justice. The metallic arch and the multi-colored thread in the writing really makes this design pop. The dog outlines are in gray. You won't be disappointed.

This is the design that will go on the left chest of the **gray sweatshirt**, and the left chest of the **denim shirt**. Remember you can order the **denim shirt with this design only**. The dog outlines on this design will be in black with a metallic arch. The lettering is using multicolored thread.

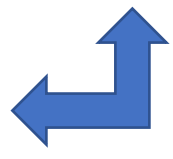

These two designs will be on the denim shirt when you chose the denim shirt with front and back designs.

This design will only be on the **back of the denim shirt** when you choose **the denim shirt with the front and back designs**. The design is quite large with black dog outlines, metallic arch, and multicolored thread.

The above design will be on the purple **backpack only**. It will be large and easily readable with the fun multi-colored thread.

This is our **scene T-shirt** design - our schnauzers at work. This T-shirt will come in long or short sleeves. You will have 2 color choices, Carolina Blue or Red. The design is in black thread.

This is the black cap. The arch is in metallic thread, and it really pops on that black background. The dogs are outlined in gray. The multicolored thread looks especially good with a black background. This is one piece you don't want to miss.

Men's example for Barn Hunt

When determining your size, lay out a shirt or jacket that fits you. The chest measurement should be made 1 inch below the armpit. Measure from side to side then double your number. If you measured 20, your chest measurement will be 40. I have noted when you do not have to double the number. When measuring sleeves, measure from the highest point of the shoulder down to the tip of the sleeve. Last when you measure the length, measure from the highest point of the shoulder to the bottom of the shirt.

The sizing charts are as follows.
